

## Call for Proposals

December 11, 2023

Dear ANA Member:

On behalf of ANA's Professional Policy Committee, the call for proposals is now OPEN for the submission of proposals for discussion by ANA's governing body, the Membership Assembly, at the 2024 annual meeting in June. All proposals submitted should be solution oriented. **Your involvement in ANA's policy work is critical!**

Submitted proposals should reflect the ANA Enterprise's [2023-2025 Strategic Plan](#). Please take a moment to review the webpage on Nursingworld.org that provides in-depth information about the work that will be taken under this strategic plan. Updated information on the Strategic Plan is also included in the Membership Assembly Policy Development Guide. The Professional Policy Committee continues to strongly recommend that as you consider submitting a proposal that you connect with your state nurses association or the Individual Member Division to support alignment at the state level.

Section 1 of the 2024 [Membership Assembly Policy Development Guide](#) includes questions for you to consider prior to submitting a proposal. In Appendix A of the *Guide*, you'll find the updated [ANA Enterprise 2023-2025 Strategic Plan](#). The *Guide* also contains detailed information on the submission and review of proposals, including Emergent Proposals; Dialogue Forums; and examples of approaches used by state nurses' associations that have successfully engaged members in ANA's policy work.

**TO SUBMIT PROPOSALS FOR CONSIDERATION** – [Click here to access the online proposal form.](#)

Completed proposals **MUST BE** submitted (by using the online proposal form, no exceptions) by **5:00pm ET on Monday, February 12, 2024**. Refer to Appendix D in the *Guide* for key dates and direct questions to Cheryl Peterson, Vice President, Nursing Programs, via email ([practice@ana.org](mailto:practice@ana.org)).
